Attachments: Issues for BaP ERC review.docx

Sam:

I am attaching the list of issues for BaP. It needs some editing based on Vince's suggestion, so don't send it out yet, but this is for your understanding of what we would need Sue or others for. I will send you the final tomorrow morning.

Our email exchange when this came up...

Thus far, the reviewers haven't changed. There is an issue about Sue Makris' time and it would be good to know the extent of material we need for her to look at.

If you have your issues fleshed out, sending those earlier would be good as I can prime the reviewers.

Thanks for letting me know!!

Samantha

We have had a few days of setback. Andrew, who was crucial to this final push, had to take unforeseen leave. He is back this afternoon. Let me ask him tomorrow and give you a new date. Hopefully only two days of delay.

Ravi.

Hi,

Last week Ravi had asked about the ERC reviewers I had lined up for BaP. Norm and I will be serving as primary reviewers, focusing on the whole assessment. Sue Makris, and Deb Segal will be focusing on the various issues you have highlighted. Additionally, Paul White is going to talk with Karen and follow up.

If there are other topics you think are going to arise that require other types of expertise please let me know as soon as you can and I'll find other reviewers, if possible.

Last I heard, you were aiming for August 16th for a draft ready for ERC review, is that still accurate?

Thanks,
Samantha
